Subject Index

Abdomen
Aspirative lipoplasty of the abdomen, early experience, (Lewis), 33
New methodology in abdominal aesthetic surgery, (de Souza Pinto et al.), 213
Anatomy
Comparative anatomy of cutaneous muscles of the face, (Levet), 177
Subfascial lifting, (Jost et al.), 163
Superficial fascial and muscular layers in the face and neck: a histological study, (Wassef), 171
Anesthesia, local
Diazapam and Fentanyl as adjuncts to local anesthesia, (Michelson et al.), 207
Evaluation of transcutaneous oxygen tension monitoring during cosmetic surgery, (Riefkohl et al.), 117
Announcements
Center for Research and Development of Advanced Services in Plastic Surgery of the Ben Gurion University of Negev, Israel: A Surgical Instruments Design Contest, 125
4th Hamburg International Symposium on Craniofacial Anomalies and Clefts of Lip, Alveolus, and Palate, Hamburg Congress Center, Aug. 31–Sept. 4, 1987, 125
Suction Lipectomy of the Face and Body: State of the Art; Course Sponsor—Manhattan Eye, Ear and Throat Hospital: May 15–16, 1987, 55
The Jalisco Plastic Surgery Educational Foundation: Symposium on Myocutaneous Flap, Reconstructive Breast Surgery, and Aesthetic Breast Surgery: Nov. 4–7, 1987, 56, 126, 193
The XVIV Brazilian Congress of Plastic Surgery, Sao Paulo; Nov. 15–20, 1987, 126, 193
The University of Pavia—Second Postgraduate in Aesthetic Plastic Surgery; Four 4-day Sessions from Nov. 1987 through May 1988, 193
World Congress III on Cancers of the Skin, Houston, Texas, March 7–9, 1988, 255

Blood Loss
Acute normovolemic hemodilution in aesthetic plastic surgery (Scuderi et al.), 121
Book Reviews
Advances in Ophthalmic Plastic and Reconstructive Surgery: History and Tradition—Vol. 5. Edited by Stephen L. Bosniak and Byron C. Smith, (Rogers), 259
Aesthetic and Reconstructive Otoplasty. By Jack Davis, (Rogers), 128
The Breast: An Atlas of Reconstruction. By H. J. Chang and Judith J. Petry, (Nolan), 195
Oculoplastic Surgery. By C. E. Iliff, W. J. Iliff, and N. T. Iliff, (Jelks), 58
Principlization of Plastic Surgery. By D. Ralph Millard, Jr., (Rogers), 58
Rhinoplasty and Face Surgery with a Supplement on Mammaplasty . . . By Jacques Joseph (Translation by Stanley Milstein), (Rogers), 196
Essentials of Plastic, Maxillofacial and Reconstructive Surgery. By Nicholas G. Georgiade et al., (Rogers), 257
Breast
Augmentation: a review of subglandular and submuscular implantation, (Vazquez et al.), 101
Augmentation, subglandular versus subpectoral, a critical look at capsule contracture, (Puckett et al.), 23
Meme implants, infected: salvage reconstruction with latissimus dorsi myocutaneous flap and silicone implants (Okunski and Chowdary), 49
Reduction, breast: evolution of a technique, a simple vertical scar, (Lassus), 107
Reduction mammaplasty: a medicolegal hazard?, (Hoffman), 113
Subcutaneous mastectomy, surgical complications and follow-up evaluation of 163 patients, (Holzgreve and Beller), 45
The Breast: An Atlas of Reconstruction. By Chang and Petry, (Book Review by Nolan), 195
Brow Lift
Facial mimics and the coronal brow lift, (Bruck et al.), 199

Cleft Lip
Aesthetic camouflage of bilateral cleft lip scars, (Onizuka et al.), 241

Ear
Aesthetic and Reconstructive Otoplasty. By Jack Davis, (Book Review by Rogers), 128
Classic reprint: an operation for prominence of the auricles (with two wood-cuts), (Ely), 73
Composite graft from the scapha and its repair using a retroauricular subcutaneous pedicle flap, (Sawada et al.), 53
Lop ears, otoplasty, (Hinderer et al.), 75
Macrotia, (Hinderer et al.), 81
Prominent ears, otoplasty, (Hinderer et al.), 63
Prominent ears, treatment: a 25-year survey of the Island technique, (Pitanguy et al.), 87
Protruding ears, a medical "first": Ely's operation, (Rogers), 71
Electrolysis
Electroepilation using insulated needles, (Kobayashi and Kamiyama), 223
Eye
Advances in Ophthalmic, Plastic and Reconstructive Surgery: History and Tradition, Vol. 5. Edited by Stephen L. Bosniak and Byron C. Smith, (Book Review by Rogers), 259
Anophthalmic orbit, reconstruction, aesthetic considerations in, (Habal), 229
Oculoplastic Surgery. By C. E. Iliff et al. (Book Review by Jelks), 58

Face
Angle-rotation flap in reconstruction of the face, (Schrudde and Beinhoff), 15

Neck
Cervical rejuvenation, liposuction, (Tapia et al.), 95
Nipple
Nipple reconstruction with muscle flap, (Muruci and Muniz), 41
Nose
An old story: an ivory nasal implant, (Vilar-Sancho), 157
Augmentation in the problem nose, (Regnault), 1
Compound implant to project the nasal tip, (Papadoulos and Harada), 181
Medial crura, dissection of, as a standard procedure in rhinoplasty: case studies, (Mir y Mir), 203
Rhinoplasty and Facial Surgery with a Supplement on Mammaplasty . . . by Jacques Joseph (Translated by Milstein), (Book Review by Rogers), 196

Obesity
Suction-assisted lipectomy (SAL) and the hCG (Human Chorionic Gonadotropin) protocol for obesity treatment: controversies in plastic surgery, (Vogt and Belluscio), 131
Obituary
Souelem, Nader Mohamed (1920–1986), (Beheri), 123

Palmoplantar keratodermia
Palmoplantoneoplasty for management of palmoplantar keratodermia, (Farina), 249

Rhytidectomy
Comparative anatomy of cutaneous muscles of the face, (Levet), 177
Diagnosis and technical refinements in rhytidectomy: a personal approach, (Pompeo de Pina), 7
Facial mimics and the coronal brow lift, (Bruck et al.), 199
Subfascial lifting, (Jost et al.), 163
Superficial fascial and muscular layers in the face and neck: a histological study, (Wassef), 171

Scars
Hypertrophic scars and keloids, protocol for the treatment of, (Nicolai et al.), 29
Society and Association Meetings
Associacio Brasileira de Laser: Workshop for the Laser in Surgery: April 3–5, 1987, 55
International Society of Aesthetic Plastic Surgery—IX International Congress, New York City, Oct. 11–14, 1987, 56, 126, 193
International Society of Aesthetic Plastic Surgery—XXV Instructional Course, New York City, Oct. 15–16, 1987, 56, 126, 193
International Society of Aesthetic Plastic Surgery—Videotapes from the Educational Foundation, 56, 57, 126, 193, 255
Latinoamerican Society for the Laser in Surgery and Medicine, Lima, Peru, March 1988, 55
The Association of German Plastic Surgeons: 17th Annual Meeting, Gelsenkirchen, Germany, Sept. 17–19, 1987, 55, 125, 193
The International Society for Burn Injuries: "New Concepts in Burns". Geneva, Switzerland, June 22–26, 1987, 55
The Lipolysis Society of North America:
Basic Training Symposium, Virginia Beach, Virginia, April 24–25, 1987
Basic Training Symposium, Seattle, Washington, June 5–6, 1987
Basic Training Symposium, Montreal, Canada, Sept. 9–10, 1987
Fifth Annual Meeting, Atlanta, Georgia, Nov. 6–7, 1987, 55, 125
The Spanish Society of Plastic, Reconstructive, and Aesthetic Surgery—Officers Elected—Dec. 13, 1986:
XIX Annual Meeting, Pamplona, Spain, June 10–13, 1987, 55
Suction-assisted lipectomy (SAL)
Aspirative lipoplasty of the abdomen, early experience, (Lewis), 33
Cervical rejuvenation, liposuction in, (Tapia et al.), 95
Closed aspirative lipoplasty, dissatisfaction among women with "thunder things", (Lewis), 187
Suction-assisted lipectomy (SAL) and the hCG (Human Chorionic Gonadotropin) protocol for obesity treatment: controversies in plastic surgery, (Vogt and Belluscio), 131

Thighs
Dissatisfaction among women with "thunder thighs" undergoing closed aspirative lipoplasty, (Lewis), 187
